

Aaron Erickson

Dundas

1998 MVP

Class B

In his own words: I remember that every year in the State tournament came down to staying in the winners bracket and just a few key plays decided each game. The level of play and competition was amazing. In 1998, all the games after the first round went into the ninth and we had to score to win. In the final game, Coach Nelson moved me from third to pitcher with two outs in the top of the ninth to face Chaska's hottest hitter. He crushed a ball right at Howard (second base) to get out of the inning down by a run and once again we rallied to win. I will never forget that moment.

- Aaron Erickson, Dundas, 1998
- Third baseman
- Hit for a .526 batting average, going 10 for 19
- Held a .640 on-base average

In 1998, all the games after the first round went to the ninth inning and we had to score to win.”
