

Brendan Furrow

Minnetonka

2010 MVP

Class A

In his own words: It's always a fun time with the Millers. I miss those days for sure. I remember that we played most of the games in St. Paul and I was fresh out of Concordia St. Paul, so I was kind of playing on my home field there for college. We played some at Dunning Field and some of the other games were at the Saints' stadium.

We had a good time and I guess what I remember more was the gathering after the game in my old college parking lot. So we had a good time afterwards.

Joe Shallenberger and I hit three and four so I think we went back-to-back a couple of times during the playoffs. The Shamrocks have always been a tough team for us. You know you're in for a dog fight when you play the Shamrocks because they've always done well against us (Minnetonka 6,5, St Paul Shamrocks 3,4).
