

Troy Wasiloski

Shakopee

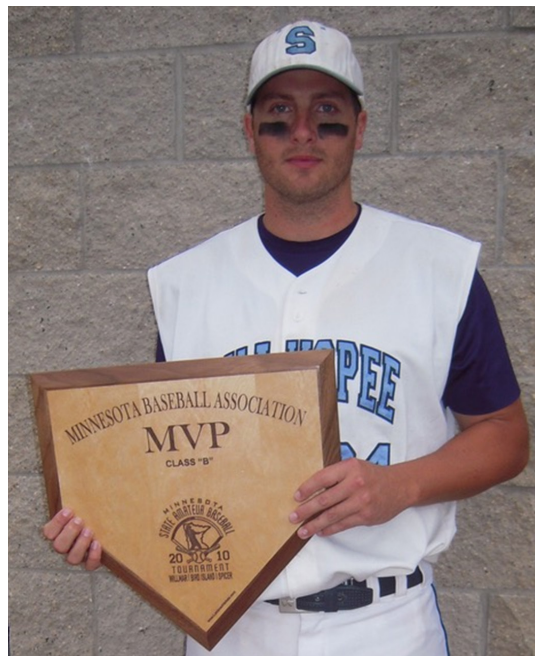

2010 MVP

Class B

In his own words: A bunch of good games and good competition. Our team, I felt like we had a pretty good chance to win, lots of good guys, lots of good baseball players. A good ball field in Bird Island. I think it was fairly new at the time and it was a great place to host a state tournament. I think the MVP award could have gone to a couple of other players on our team that year. I just happened to have a good day on the final day. I remember Dane Seacott, Chris Rupert and all those guys kind of carried us through that tournament and we wouldn't have been there without those guys pitching, if not complete games darn near close.

Scott Hollingsworth pitched the final game. Getting guys like that we were able to draft. The year prior we had a good draft class with Seifert and Justin Johnson from Chaska. This year we had Hollingsworth and Bohnsack from Jordan. Two pretty good arms to add to what we already had. He pitched the final game for us and we won the state tournament for the second year in a row.
